

Assignment Sheet: Final Portfolio

Chris Friend • ENC1102 • Summer B 2013

1. BACKGROUND

This project will demonstrate your accomplishments for the semester. Because the course is all online, your portfolio will be, too. You've been focusing on the course outcomes after each assignment; now your goal is to package the work you've done in a way that showcases your accomplishments and highlights those course outcomes.

4. PROCEDURE

TABLE 1. Goals of Final Portfolio Components

COMPONENT	AUDI- ENCE	GOALS	APP OR SITE
Course Audit	Friend & DWR	Explain that you know what was expected of you and how you've met the expectations.	Word processor or Google Docs
Portfolio	Dept of Writing & Rhetoric	Provide and highlight evidence that you've achieved the course outcomes.	Word processor, Google Docs, GitHub, etc.
Proposal	Future teacher or funder	Convince people who support research that your project is well thought-out and ready to be approved/funded.	Word processor
Pitch	Your topic's stakeholders	Convince interested parties that more research needs to be done, and that your question is worth answering.	Presentation software, PechaKucha format, YouTube or Vimeo

TABLE 2. Evaluation of Final Products

DEMONSTRATION OF COURSE OUTCOMES	
A	Clearly demonstrates exceptional achievement of course outcomes and provides easily identifiable evidence of those outcomes across all submitted materials.
B	Demonstrates strong mastery of course outcomes, made obvious through the content of all submitted materials.
C	Shows attainment of course outcomes and provides documentation of those accomplishments through satisfactory attached documents.
D	Provides evidence of an unsuccessful attempt to achieve the course outcomes. Supporting documents likely haphazard, of poor quality, or incomplete.
F	Fails to demonstrate achievement of course outcomes or to submit a complete portfolio. Work is of unacceptably bad quality.
